Report of the Board of Education

To the Citizens of New Castle :

The School Board herewith submits the annual report for the year ending February 15, 1914.

We are pleased to state that our schools have been free from epidemics of any kind during the past year, which helps to bring the attendance up to the average.

We feel that more interest should be taken in the development of the schools ; that it should be the aim of all to bring them up to a better standing, and allow nothing to stand in the way, which would keep our schools below the average.

The Board on finding the appropriation much too low for the maintenance of schools in town, and for the payment of the High School tuition, conferred with the selectmen, who paid the tuition due from January 6, 1913, to December 19, 1913.

Our Primary school is still 'in charge of Miss Maude H. Trefethen, and her excellent work continues as in the past. We feel that the town is much indebted to Miss Trefethen for continuous and persistent efforts.

Miss Nellie H. Smith, who we hoped to retain, resigned her position in the Grammar school, as the board found it quite impossible to raise on her salary owing to the appropriation, the vacancy being filled by Miss Ida L. Blossom.

According to Public Statutes, Chapter 88, Section

2, as changed by Chapter 52, Laws of 1909, we hereby recommend that the following sums are required during the ensuing year :

Regular school money required by law	\$907 50
High school tuition, January 5, 1914, to July, 1914	210 00
High school tuition, July 15, 1914, to July 15, 1915	600 00
Text books and supplies	100 00
Flag and appurtenances	20 00
We further recommend that the following sums be raised.	
Additional for general school expenses	\$165 00
Salaries	55 00

Respectfully submitted,
